NOTE: For individual bike models please refer to the bike's Quick Refence Guide found on the bike's product detail page for more detailed fender related requirements.

NOTE: The smaller rack sizes come with trimmable rack support arms that will work with any size bike when you trim to fit, or choose the larger size to get precut racks support arms to fit larger bike sizes, see size range for details.
For both models, the actual racks is the same size.

**Requires eyeletted seatpost clamp (ex. SKU's 415183 or 415184)*

***Requires hidden fender mount hardware PN W331954*
